

Administration of Medication During Center Hours
The Founders Center

In order for prescription medication to be given at center, parents/guardians must provide:

1. The physician's order portion of this form signed by the physician
2. The parental release portion of this form signed by parent/guardian
3. Medication supplied in the original container. You may wish to ask for prescription medication to be divided into two bottles completely labeled: one for home and one for center.
4. Please use a separate form for each medication prescribed.
5. For administration of nonprescription, over the counter medications, there is a separate form. Please request one from your child's teacher.
