

The Founders Center Services and Rates

July 2016 - June 2017

Comprehensive Package of Services

~ Assessments

* TFC conducts various assessments to assist with intake, curriculum placements, and insurance and placing agent requirements.

~ ABA

* TFC has Board Certified Behavior Analysts on staff to conduct assessments, develop treatment plans (including behavior plans), oversee implementation of our curriculum that is based on the principles of Applied Behavior Analysis, and provide direct programming with each child.

~ Special Education

* TFC is licensed to provide Special Education Services by the Virginia Department of Education. All teachers at TFC are licensed to teach special education. TFC maintains a low instructor to student ratio.

~ Home Visits

* Our behavior analysts and teachers provide home visits quarterly (optional).

~ Insurance Billing

* The Finance Department will file behavioral health claims with your insurance company.

Our Comprehensive package Rates

~ Annual Rate

* Our annual program fee beginning July 1, 2016 – June 30, 2017 is \$52,028.00, this fee covers all of our services as a complete, year around package of services.

* Our annual fee is billed in 12 monthly installments of \$4,335.63

* **Many health insurance plans have ABA benefits available that can help to lower your out of pocket expense for TFC's services.**

* Our Finance Department is available to assist individual families determining ABA eligibility and benefits, and with claim submittal.

* TFC does not currently accept Medicaid, Medicaid HMO, or FAMIS plans.

• TFC has a scholarship program to assist with fees past the insurance cap. Applications are open each spring for all to apply.
